PUBLIC WORKSHOP

PURPOSE:

The Federal Highway Administration and the National Park Service would like to invite you to attend a public workshop for the Manassas National Battlefield Park Bypass Study. This is the fourth workshop since the inception of this study. The purpose of the workshop will be to present a preliminary summary of impacts for each of the alternatives currently under study prior to the publication of the Draft Environmental Impact Statement and solicit your input on the alternatives. Maps, displays, and comment forms will be provided at the workshop for your review and use. A brief presentation about the study will begin at 6:00 pm.

COMMENTS:

Please provide us with your thoughts on the study. Comments are always welcome and may be submitted at the meeting or sent to Mr. Jack Van Dop of FHWA at 21400 Ridgetop Circle, Sterling, Virginia 20166. For comments to be included in the workshop record, please submit them at the workshop or within 14 days following the workshop (March 30, 2004).

SPECIAL ASSISTANCE:

If you require additional information or special assistance to attend and participate in this workshop please call Parsons at 202-775-3484.
